# Fire Safety Academy
Instructions for Group Delivery

#1 **Register the Course**

Create a Help Desk ticket. Be sure to include the course name, dates of delivery, and estimated number of students.

#2 **Deliver the Content**

Log into your account, select the course, and begin teaching. Your progress will be saved, so you can start and stop as needed.

#3 **Unlock the Assessment**

Provide your students with the course number and QR code so that they can unlock the final assessment.

FORGOT TO REGISTER THE COURSE IN ADVANCE?

No problem! Follow the steps above. Remember, your students will not be able to access the final assessment until you provide the course number and QR code.
